BEARS is an emergency medical charity that provides, equips and supports Doctors, Nurses and Paramedics enabling them to respond to critically ill or injured patients in the pre-hospital environment and provide support, additional assessment and treatment beyond that of the Ambulance service. Whilst all the members of the scheme have an honorary contract with the ambulance service, the charity equips and provides CPD opportunities for all of its members. All of our Responders carry out this work in a voluntary capacity 24/7 throughout Essex.
